

RDSkates Socks

ONLY FOR TOP SKATERS!

Washing Instructions:

Your **RDSkates**® socks are made according to the highest quality standards by **specialized workers**.

Washing them **inside out** and with the **utmost care** they will last longer.

If you wash them by hand:

- immerse them in **water at room temperature** and use a little **high quality soap powder**
- **gently press them** into the foam;
- **do not twist them**;
- let them dry **away from heat sources**.

If you wash them in the washing machine:

- choose a short **ECO program at 30 ° C**;
- set the **centrifuge to 400 rpm**;
- use a little **specific detergent** for delicate items and a **fabric softener**.
